

Sales Letter

Manual

**This manual contains the Sales Material for all the companies
you now own, along with your Bonus Company.**

Dear New Business Owner,

Congratulations on becoming the new owner of the very companies that took me from dead broke, living under a tarp, to a multi-millionaire!

The most important thing in business is Sales – if you don't have Sales, then you don't have Money - period! All your companies come with sales material in the form of a Sales Letter and Order Application. A lot of time and money has been spent perfecting these Sales Letters – and they have generated millions upon millions of dollars!

Again, I want to point out your Bonus Company. It is absolutely the easiest and fastest way for you to start making money. Your Bonus Company actually came by accident. All 4 companies you now own create lots of sales which equals lots of money for you. However, none of your 4 companies has produced as much money as your Bonus Company, which is also the fastest and easiest company to start with, so I highly recommend you start with it.

I have included a copy of the Sales Letter for your Bonus Company which is the exact same one that prompted you to purchase the 4 companies that made me millions of dollars over and over again. I sold these companies (well, “gave them away” is a better term) to you so that you too could own and profit from the exact same companies that made me a fortune. Since selling these companies has turned out to make more money than the individual companies (combined!!!), I decided to let you profit even more by re-selling the companies you own.

Bottom line is: you want to make the most money with the least amount of time and effort! Your Bonus Company does just that, plus we take care of all the Customer Service and Order Fulfillment so there's absolutely nothing you have to do or worry about, and again, you can make more money with your Bonus Company than with your other 4 companies – combined!

Read through each companies Sales Letter and think to yourself; “Which one would I purchase?” Then read through your “Selling Business Opportunities” Marketing Manual and I think you'll agree that your Bonus Company is the easiest and fastest way for you to start making money, and lots of it! It is completely Turn-Key so you don't need a computer, Internet service, or any business experience or know-how at all – it's a proven money maker that is just waiting for you to turn the key and get started. The sooner you take advantage of your Bonus Company, the sooner you can start making money.

Sincerely,
Michael Forbes

For Your

BONUS COMPANY

This Could Be YOU!

I Became A Multi-Millionaire Selling Top Rated, Legitimate Business Opportunities Now That I'm Retiring, These 4 Multi-Million Dollar Companies Can Be YOURS!

Each Company Is Completely Set Up & Ready To Make You Money Today – These Aren't "Plans" Or "Ideas" - You Get The Actual Companies That Made Me Millions Of Dollars Many Times Over!

I started penniless (literally) and became a Multi-Millionaire faster than I used to be able to drag myself out of my sleeping bag on a cold morning. You see, not too long ago, I was living out of a backpack (under a tarp) in the woods. I didn't have a job and never finished school ... and I suffered the consequences. I got wet when it rained, cold when it snowed, and eaten up by mosquitoes in the miserably hot summertime.

One day, a man and his family came upon me when they were on a camping trip. He thought I was just another "camper" until we started talking. He and his family took vacations all the time. He had plenty of Money, plenty of Free Time, & No Boss!

He and his family set up camp (a really nice one) next to mine and we spent the next two days getting to know one another. I have to admit that I was quite jealous because I knew in the morning, they would be returning to their comfortable house and their comfortable life, and I would still be stuck out here in the woods – that's a picture of my old "home" to the right.

On their last day, the man came to me and told me of a business opportunity that he said could make me a wealthy man just like himself. He offered to trade me the business plan for something small in return. I agreed because after all, I had nothing to lose. To be honest, I didn't really believe him. I had no business experience whatsoever, dropped out of school early, had absolutely NO money, and I was awfully lazy. I had long ago given up on the dream of "living the good life."

The time came for them to leave. The man said he would be back with the business plan that would change my life. I told him that I would be right here waiting – I had no place else to go. After a few weeks went by and he didn't show, I figured he was just yanking my chain. I gave up hopes of ever seeing him again. A couple of days later, the man strolled into my campsite and apologized for the delay. He and his family had just returned from Hawaii and this was his first opportunity to come back.

He gave me the business plan and asked what I would trade for it. I told him that I had nothing to give that he would want ... so he suggested my backpack! I was a bit shocked – I know it's not much, but to a homeless man – it's everything. I asked if he was going to help me get started, and he said rather bluntly, "I already gave you all the help you will need." He explained that the plans would show me how to set everything up and the backpack I gave him would give me the motivation to start. Besides this, I wouldn't need any other kind of help. I was really frustrated because I had absolutely no money, no skills – heck, I didn't even have an enclosed tent to sleep in ... how was I supposed to start a business that was going to make me a wealthy man?

He left and I went and sat down under my tarp. I remember being very depressed and feeling sorry for myself. If this was a "real opportunity" it seemed so close yet so far away. It was several days before I opened the envelope he gave me and read through the instructions. Everything sounded very simple, in fact, too simple. Making money couldn't be this easy.

I went ahead and followed the business plan because it didn't cost me anything to start. I was amazed when I made \$150 my first day. Within a few weeks, I was making \$1,000 per day! Then, \$2,000, \$3,000, and \$4,000 per day became common – and I was only in "Phase 1" of the business. There are 2 Income Phases in all 4 companies, and I'll explain each phase in detail later, but I want to show you copies of my bank statements so you can see the actual growth of income I was experiencing ...

A **\$43,874.92** Month Grew To A **\$80,991.12** Month Which Grew To A **\$136,773.00** Month Which Just Kept Growing ...

\$136,733 - that's over \$4,400 per DAY! I remember thinking *how much did those few days I wasted feeling sorry for myself before opening his envelope cost me???* - Especially since it delayed my transition into Phase 2 of the business which happens very quickly and completely automatically. In fact, you couldn't stop it if you tried! You don't do anything but just let it happen - and it causes your income to explode! All of a sudden, \$10,000 and \$20,000+ DAYS were common!

All this happened so fast that it was like a dream and when I woke up, I immediately moved out from my desolate "campsite" home into a 4 bedroom rental house while I was having my 10,000+ square foot dream mansion built! It has a pool, two hot tubs, three wet-bars, four decks, five garages, six bathrooms, and a master suite larger than most luxury apartments. I must admit, I did go a little overboard on it, but what the heck, this company was bringing in money faster than I knew what to do with it.

A **\$251,371.91** Month Grew To A **\$834,014.51** Month Which Grew To A **\$934,345.02** Month Which Just Kept Growing ...

Since the company ran itself, I had plenty of free time on my hands. As I was laying on my beach in the Caribbean (I bought the island so I call it "my" beach) I decided to use this free time to start another company. Long story short, I created 3 other businesses that all became Multi-Million dollar companies. Look at the proof ...

... Here's Just 1 Of The 4 Companies You Will Own - \$0.00 to \$39,379.08 In Just 13 Days!

You'll notice that I did spend \$724.55 that month - but only AFTER I was making over \$3,000 per DAY! I opened this account half way through the month so it only took 13 days to bank \$39,379.08 - and this is still Phase 1 - wait until Phase 2! *Who in their right mind wouldn't want to own this company?*

Every business opportunity I own has made me millions and millions of dollars - and now they can ALL be yours! Not just "plans" or "ideas" but the actual companies themselves, completely set up and ready to make money for YOU!

Let's not forget that the people who bought these business opportunities also did pretty well for themselves - that's why your Phase 2 Income is so high! Now YOU can be the owner ...

Here's Another Business You'll Receive - Phase 2 Income Surged From \$27,703 To \$396,138 In 30 Days!

As you can see in Phase 1, you can make almost \$1,000 per day (\$27,703 for the month) from the start, which is nice, but Phase 2 hit the very next month and that's where your income skyrockets. You'll notice I only spent \$2,457.00 that entire month which is nothing when you're bringing in over \$13,000.00 per DAY!

This company, along with the 3 others can be yours, and each one is 100% complete! You're not starting a "new" business, you're simply taking over ownership of 4 existing, established, very high profit companies - so you can start receiving money immediately!

Since each company is completely set up, you DO NOT need a computer, Internet, or any special skills, education, or anything else. Age has no factor so it doesn't matter if you are particularly young or old or simply in between. It doesn't matter if you are in a wheelchair or can run a marathon. It doesn't matter if your IQ is 20 or 120! All 4 of your companies make money ridiculously easy in ANY economy so even that doesn't matter! There are no "secret formulas" or "newly discovered financial miracles" or "never seen before technology" - just good, solid, proven money making companies that YOU take over as the owner!

Phase 1 Of Your New Businesses!

The business opportunities that you'll own actually work and make money for the people buying them! This is why your Phase 2 Income is so high. As the owner, your customers

become your Affiliates, Distributors, and Agents so you just sit back and receive a (very high) residual monthly income off all their efforts combined. These aren't "start-up" companies - they've made me tens of millions of dollars just by owning them!

As the owner, you have it very easy. Your companies are set up so others do all the work for you without it costing you a dime! Your opportunities can be mailed out to 150,000 customers every month absolutely FREE and you keep 100% of the profits - that's serious money in your pocket! This isn't some gimmick where you have to spend \$10,000 up front, and then pay yourself back out of the profits so it didn't "technically" cost anything. Remember, I started this way, and I didn't have a cent!

As an added bonus, I'll set all 4 of your companies up with their very own website so you can take advantage of the Internet without it costing you a penny - ever! No set-up costs, no monthly fees, and you don't personally need a computer because everything on your 4 websites will be done for you. You can even take your companies a step further with online sales from customers using MasterCard, Visa, American Express, Discover, PayPal, etc. This can easily double your Phase 1 income! Now for the really good part ...

Phase 2 Of Your New Businesses!

Phase 2 is the really exciting part (and all 4 of your companies have it) because it happens automatically and without ANY input from you, and your income jumps from a few thousand dollars per day to tens of thousands of dollars per day! Remember, what separates you from the "crooks" out there taking advantage of people is that the business opportunities you'll be getting rich from are all legitimate, high profit businesses that are completely turnkey for the buyers so you can make a ton of money and sleep well at night!

In Phase 2, you make a continuous profit off every single person in Phase 1 because they all become Affiliates, Distributors, & Agents for you, and that's when the numbers really start to get big! You just sit back and let all these people make you even richer! Of course, they're making great money too, and in just weeks, you start receiving a residual income from the combined sales of hundreds, even thousands of businesses! This can easily give you Wealth, Security, Happiness, and the Freedom to do what you want in life!

Phase 2 Is Where You Start Seeing Months Like This One ... Over \$1 Million Dollars In Just 31 Days!

This is exactly what you can expect your bank statements to look like when you automatically go from Phase 1 to Phase 2 in any of your 4 companies. You couldn't stop this "income explosion" from happening even if you wanted to – it's a natural result from the success of people who buy your business opportunities.

The nice thing is that the people who buy from you will be happy to give you a piece of the action! I've had people offer me 10 times more money just to say "thank you" for their new business. Of course, I didn't accept it because a deal is a deal, but it's a nice feeling when people appreciate you that much.

When I retired and sold just the "rights" to these businesses, I sold them strictly for a "percentage of their sales" so if these companies didn't make any money - I would have to sell them for \$0.00 - right? But these companies make huge profits for whoever owns them, and because they make so much money, I sold them (the exact same companies you'll receive) for just over \$7.7 Million Dollars!

YOU Could Easily Retire Yourself ...

The \$7.7 Million dollar sale price was a long term agreement of residual income based on just 10% of the actual sales for the last 10 years. These bank statements prove these companies make a ton of money! You can own all 4 of them for a lot less than \$7.7 Million! A 50% discount would bring the price to \$3.85 Million. A 90% discount would be \$770,000 - which would be a steal! However, a 99.999...% discount would bring the price to just \$77 & that's about what my backpack cost.

So here's the best deal of your life, for just \$77, I will give you the 4 actual businesses (not just plans, concepts, or ideas – the actual companies!!!) that made me a Multi-Millionaire (and previously sold for \$7.7 Million). Look these companies over, and if for any reason whatsoever, you don't think any one of them can make you a Millionaire quickly & easily like they did for me, just let me know within 30 days and I'll buy them back from you. You can be making money instantly so it's a no-lose situation – you're either 100% satisfied (and rich) or you're out nothing! If you haven't figured it out, you're getting a much better deal than I did starting out.

All 4 companies make money ridiculously fast, easy, and in any economy so you can become a Millionaire yourself! Everything is done for you so you can just sit back and relax as the owner making all the money! Again, these are the exact same companies that I used to retire filthy rich! Send in your Company Request Card today so you can start receiving money as the new owner immediately!

Sincerely,

Let me ask you a few simple questions to see if you'd be interested.

1. Would you like to have your very own full service printing company backed up with modern equipment, supplies, plenty of employees to do all the work while you make a guaranteed profit without even getting a drop of ink on your hands?
2. How much money do you think you could make by having your own Full Service printing facility? (Remember, you have millions of dollars in resources to provide a range of desperately needed general and specialty services for people at lower prices than they're paying now – and provide the highest quality available. What if you didn't have to pay for employees, rent, equipment, or any other expenses?)
3. How much money do you think it would take to purchase this “dream business” or even to buy stock in it?
4. How would you like to own 100% of this a business – **100% RISK FREE?** Well, you can, and it's VERY EASY!

We're currently accepting applications from a limited number of people, who are interested in owning their own printing business, fully backed up with millions of dollars of resources at its disposal. If you are accepted, you'll be placed in a very unique position. It's a highly profitable position that, until now, took large amounts of money to enjoy. Printers can earn millions of dollars every year for their services. Many printers pay hundreds of thousands of dollars for companies offering LESS of an opportunity than you can have now. SIMPLICITY:

- You can have your very own full service printing business with zero start-up capital and no expenses!
- Customers choose from hundreds of services available which they order through you from the catalogs we provide! All you do is write down what your customer needs, send it to us, and make a guaranteed profit – it's that simple!
- No training, experience, or printing knowledge necessary! No “selling” involved – nothing has been left to chance!
- No boss, no time clocks, no quotas, no royalty fees, and it can all be done easily from the comfort of your own home!
- You simply take the order, deduct your profits up-front, and forward the order to us to be fulfilled! It's as easy as 1, 2, 3!

IT'S A WIN/WIN/WIN SITUATION OF THE BEST KIND!

- Your customers win because they get More Services, Higher Quality, and Lower Prices!
- You win because you're guaranteed a profit UP-FRONT! There's no waiting for monthly checks or anything else!
- We win because we do more printing! Having you as a business owner gives us a method of marketing our printing services, and gives you a method of earning lots of money from printing without having to be a “printer!” That's why we need you and are willing to pay you so much for so little effort! It all has to do with the bottom line!

DEMAND:

- Continued rise in the cost of printing has forced people to seek discount printing services. We've taken the same “profit earning” approach as Wal-Mart – lower prices & higher volume! On some services, we beat printer's prices by over 20%!
- You can provide more services, better quality, and lower prices! Your customers can't get that from local printers!

- Printing is one of the world's largest and most profitable industries – it's a multi-billion dollar demand!
- Guaranteed profits are yours for providing individuals and commercial businesses with just about ALL of their printing needs, whether it's Business Cards, Bumper Stickers, or Baseball Caps – we print it all!
- Small “Mom & Pop” printers, and even large franchises, simply can't compete because of their expenses so customers will naturally come to you to order! Don't get trapped in a business where there's no market for the service – with printing, you can look around and SEE the demand! The market's wide open and the earning potential is absolutely endless!

SAFETY, PROTECTION, AND STABILITY:

- Printing is not a fad! Saturation doesn't exist because it's a REPEAT business!
- Printing is a solid, established industry that's been around since the beginning of civilization and will be around forever!
- It's not affected by the economy! In bad times, people print because they have to get their word out to stay in business. In good times, they print more to advertise more! Just look around and you'll see all of the printing that people need!
- Our various facilities have been producing top quality printing for over 50 years! You're protected by our guarantee – if any imprinted merchandise is unacceptable; we will replace it at no cost to you or your customers. Our work and your satisfaction are fully and unconditionally guaranteed! Even if a mistake occurs and the job has to be re-printed – you still make guaranteed profit! Printers who have been in business for years don't have this kind of protections!
- You'll have the stability & backing of a winning management team with a proven track record!

YOUR RESPONSIBILITIES:

If accepted, you will be the owner of your own full service printing business, and this comes with a few easy responsibilities.

- You need to let people know of your new full service printing business so they can contact you to order. This is VERY EASY because we provide complete catalogs and step by step instructions to do this without “cold calling” or any expensive advertising!
- You need to forward the orders to us after deducting your profits so we can print the jobs for your customers. That's all there is to it! If you don't think you can handle these two simple things, then I suggest you get used to working for someone else, living paycheck to paycheck. However, with only these two simple responsibilities required to earn the profits that a full service printing business provides, I think you'll realize the potential here, and make the right decision!

LOTS OF SERVICES TO EARN LOTS OF MONEY WITHOUT LOTS OF WORK!

Through the multi-million dollar printing resources at your disposal, you'll earn guaranteed money by simply taking customer orders for the following:

Specialties & Advertising:

Pens, Letter Openers, Calendars, Key Chains, T-shirts, Jackets, Baseball Caps, Cups, Mugs, Visors, Stickers, Decals, Labels, Bumper Stickers, Signs, Rubber Stamps, Rulers, Real Estate Signs, Bags, Etc.

And much, much more!!!

PROFITABILITY & REWARDS!

- You earn one of the highest profit margins in the industry – and it's GUARANTEED!
- It's not uncommon for small businesses to pay you thousands of dollars weekly in large printing orders – and it's pure gravy!
- Forget the get-rich-quick nonsense. This is an honest, realistic way to enjoy more money and free time than you ever have before!
- You'll earn higher profits on lower prices because you have NO expenses!
- Repeat Orders! Every business, organization, and individual buys printing time and time again! As long as people continue to need printing, the money will continue to pour in! Your customers will be impressed with the quality, and you'll be impressed with the money!
- Excellent Mail Order / Internet potential! Plus flexibility – you can hire commission only sales people to do all the work for you and multiply your profits!

- State-of-the-art technology and equipment, experienced employees, and high quality products all working to make YOU money!
- Compare this to other “limited service” franchises: A Quick Print franchise will cost you \$180,000 plus expenses! To print just T-shirts, hats, & banners requires \$42,500 – plus you do all the work! Now, you can become wealthy by providing what both these expensive franchises offer - and much more – all without getting your hands dirty! You will never get another chance of this magnitude again. It’s truly a once in a lifetime opportunity – unless of course you come up with millions of dollars for your own building, equipment, employees, and expenses!

*Everyone needs and uses printing – it’s BIG BUSINESS & BIG MONEY! This isn’t a theory, it’s a fact. A fact that’s backed up by verified earnings by people just like you who took advantage of this offer!

You can join us in this fun and profitable business or you can stay exactly where you are now!

These are just samples of the kind of money you can make on a daily basis when you join us in this business. Remember, you get a guaranteed profit up-front simply for taking the order. We do all the printing and drop-ship directly to your customer! I think you can see where the money starts to add up in a hurry!

THE LIST GOES ON, BUT DON’T EVERYONE SEND THEIR APPLICATION!

The money and benefits that owners enjoy are extremely generous, but we’re not looking for people who are dreaming of a get-rich-quick fairy tale. Earning Six Figure incomes in the printing business is really quite common just because of the demand – everyone needs printing – you see it everyday! But it doesn’t happen by just “dreaming.” Anyone who halfway tries can be more than halfway successful! We will accept only those people who realize the privilege of owning their own printing business! For those interested, you’ve got millions of dollars in resources at your fingertips to clear a guaranteed profit without any hard work or overhead costs!

QUALIFYING AS A PRINTING BUSINESS OWNER

Unfortunately, we can’t accept everybody. It will be done on a first come – first serve basis for those who qualify. For these lucky people, we’ll send you everything you need to make a financial killing your very first day! The most important thing you need to qualify is simply a sincere desire to succeed and make money! We care as much about your success as you do because your success creates the volume of printing that we need to be successful. Working together, we’ll ALL make a lot of money year after year after year!

The number of owners may be limited (to protect territories). If you’re interested, I would recommend acting quickly to secure your position. To get your full service printing business up and ready to start making you money, simply requires a refundable deposit of just \$29.95. This deposit covers the cost of your materials, and helps us “weed out” individuals who are not serious about this opportunity. One way we keep our prices so low is to avoid waste, which in turn benefits YOU because our lower prices attract more customers, which makes you more money! The entire deposit (plus a little more!) will be refunded to you by giving you an additional 10% profit on your customer’s orders. If for any reason, we cannot accept your application, or you change your mind, your deposit will be refunded immediately – fair enough?

YOU WILL RECEIVE THE FOLLOWING MATERIALS FOR YOUR BUSINESS:

- Complete step by step instructions – a proven business plan with ongoing assistance!
- Sales catalogs that your customers order from (You simply deduct your profit from the retail prices before forwarding the order to us.)
- A total of \$29.95+ in additional profits to reimburse you for your start-up deposit.
- 100% satisfaction guarantee – if any imprinted merchandise is unacceptable, we will replace it or refund the money!

YOUR COMPLETE SATISFACTION IS GUARANTEED!

There's still room left for you to become an owner, but it may not last long. Once these positions are filled, all other applications must be refused, so act now to guarantee your position – even if you just want to consider it. Your complete satisfaction is guaranteed! If you're not satisfied with your new printing business for any reason, simply return it within 90 days for a complete refund – no questions asked!

Think for a moment about the amount of printing (General & Specialty) that is used everyday by individuals, businesses, schools, churches, hospitals, etc. Many businesses and large public facilities have small table copiers to handle simple daily needs, but nothing to handle large quantities, brochures, business cards, envelopes, labels, stickers, signs, shirts, pens, and hundreds of other items! They pay PRINTERS to do it! Fortunes are being made and you can easily get your share.

With your satisfaction guaranteed, it's worth looking into if YOU want to be the person being paid when they want the best quality printing at the lowest price! I think it's pretty easy to see the money you can make with your own full service printing business! If you want to be a part of it, please fill out the request application and mail it in today.

Sincerely,

YOUR NAME

THE SCIENCE OF DEBT ELIMINATION

&

ART OF PROSPEROUS LIVING PROGRAM

Your Name/Company Name ● Address ● City, State. Zip

LAST MONTH I MADE 5-FIGURES SIMPLY SHOWING PEOPLE HOW TO BECOME DEBT FREE!

***YOU CAN TOO, AND I'LL SHOW YOU HOW TO DUPLICATE THE EASY STEPS THAT WILL
GUARANTEE YOU'LL BECOME A TOTALLY DEBT FREE MILLIONAIRE!!!***

Dear Friend,

My name is YOUR NAME/COMPANY NAME, and I've become quite wealthy by doing something you could easily be doing yourself because it's incredibly easy to do and requires NO special skills or equipment, NO experience, and NO selling.

More specifically, I offer a 2-part program, the first part is called, "The Science Of Debt Elimination." It's Authored by one of the nation's leading experts, this best selling program shows step by step how ANYONE can become **totally debt free in as little as 5 years, including their mortgage, using nothing more than their present income and without sacrificing their lifestyle in the least!** In fact, by using "The Science Of Debt Elimination" the average family can save well over \$100,000.00 and achieve this while actually improving their lifestyle.

Just as important, in the second program entitled "The Art Of Prosperous Living," they're shown step by step how to dramatically improve their lives, income, and much more through the use of simple strategies that have been proven to work time and time again! People just like you have used this course to increase their income to **MORE THAN 4-FIGURES - PER WEEK!**

We're currently looking for distributors who want to work part-time from their homes and earn up to 3, 4, even 5-FIGURES and more each and every **MONTH** by offering people this amazing course. Think for a moment, if you posted a bulletin in your local grocery stores which read, "become totally debt free in as little as 5 years, including your mortgage, using nothing more than your present income and without sacrificing your lifestyle – guaranteed! - No Obligations!" Do you think people would be interested?

We drop-ship both programs for you, so you risk nothing. These two programs have been so popular that we need your help as a distributor. The results people are getting have been literally life-changing! As a result, we've developed a unique marketing system which multiplies your efforts allowing you to earn money beyond a personal level. You're paid each and every day with no waiting for monthly checks.

**ALL IT TAKES IS SOME PEOPLE WHO WOULD LIKE TO BECOME TOTALLY
DEBT FREE AND RETIRE WITH MILLIONS...
... AND YOU CAN EARN 4 OR 5-FIGURES PER MONTH!**

Let's face it, people are tired of struggling under out-of-control debt. People jump on the chance to get out from under this weight and take back control of their life. The programs are foolproof - ANYONE who uses them can become a totally debt free millionaire...

WOULD YOU LIKE TO HAVE...

- NO** house payments!
- NO** car payments!
- NO** credit card payments!
- NO** lease payments!
- NO** loan payments!

NO FINANCIAL STRESS!

ADD 4-FIGURES TO YOUR MONTHLY INCOME WITH JUST A FEW PEOPLE!

How many people do you think would be interested in a higher quality of life, spending less money, paying less taxes, and becoming totally debt free, including their mortgage, in as little as 5 years using nothing more than the money they already make right now!? How many people do you think would see how they could eliminate ALL their monthly payments, improve their lifestyle, and become a debt free millionaire at the same time - all without needing more money to do it!

SUPERIOR PRODUCTS + HIGH DEMAND = UNLIMITED INCOME!

Income earned from other peoples effort through a network is the greatest way to generate a substantial residual income, but one thing I don't like about multi-level sales is you have to deal with a ton of people, and then work with everyone in your downline. That's not the case with our system – you don't have to deal with anyone. Our system uses “non-human” forms of sales reproduction to give you the same effect of multiplying

your income typical of MLM systems but without having to train and help “people” in your downline. It's simple and proven to make money day in and day out! People just like you have used this marketing system to increase their income by over 5-figures each and every month! It's extremely easy to use – anyone, and I mean ANYONE can make money with it!

Many people have a misconception about multi-level sales even though the whole world operates on this basis. For example, if you have a boss, do you think he makes money off of your efforts? Of course he does, you're in his “downline.” A one-man lawn company can only mow 1 lawn at a time, but with 10 employees in his “downline” he can earn money from 10 lawns at once, and who doesn't try to grow their business this way? Networking simply lets you earn money from the efforts of a large number of people rather than just yourself. Think about it, Tony Romo doesn't earn millions of dollars playing for the 65,000 fans in Texas Stadium. He makes his enormous salary playing for all the television viewers. Television simply put professional sports into the multi-level business, and caused the money earned by athletes to skyrocket as a result. Our system is the same, but you don't have to deal with people in your downline and all the little quarks and problems that go along large groups of people.

UNDERSTANDING THE “SECRET” OF MAKING MONEY!

It's actually very simple, and it's been proven over and over again in our economy - “The service of many leads to great riches, great recognition, and great satisfaction.” Just like doctors heal the “physically” sick, we heal the “financially sick.” A lot of money is good, but it's not worth earning unless you can do it by truly helping people. If you sincerely want to earn money from helping others, you'll enjoy this business. It's a business you can be proud of, and pass down. Let's look at some FACTS about the people we help...

- FACT:** There's over 250 million Americans currently struggling under \$12,000,000,000,000.00+ of debt! (That's \$12+ TRILLION!)
- FACT:** 50,000 jobs (and benefits) are lost every month due to companies that are “here today, merged tomorrow!”
- FACT:** 85% of American families are living hand-to-mouth, just 1 to 2 paychecks away from bankruptcy!
- FACT:** More than 90% of men have a higher net worth at age 18 than they do at age 65!
- FACT:** According to IRS statistics, 97% of Americans retire in what's considered poverty. They have less than \$200 in savings and their retirement benefits (if they continue to be paid) are not even enough to cover 1/2 their actual living expenses!
- FACT:** When you eliminate the (7.5 million) Bill Gate's and Donald Trump's of the world, 97% of the population includes just about everyone else! You! Your friends! Your family! And without help, you all have a 97% chance of failing financially!
- FACT:** Record numbers of retired people are forced to go back to work just to survive!
- FACT:** Financial stress (inability to keep up with the monthly bills) is the major cause of Divorce, Crime, and Suicide in America!
- FACT:** People are financing more than \$5 billion worth of purchases each MONTH!
- FACT:** Mortgage Companies, Credit Card Companies, Banks, etc. are not your friends - they only make profits when you're in debt, the deeper the better, and their enormous profits come out of your pocket!

AND THE LIST GOES ON AND ON AND ON...

WHY ARE THESE TERRIBLE FACTS TRUE...

- ⇒ After paying 5 years on a 30 year, \$100,000 mortgage at 9%, you will have paid your lender \$48,277.36 and reduced your loan balance by just \$4,119.66. After more than 23 years, you will have paid over \$222,800.00 (not including taxes and insurance) and you've only paid off 1/2 your loan! In a 28% tax bracket, you'll have to earn almost \$300,000.00 just to have \$222,000.00 "after tax dollars" to give to your lender! It's no wonder that nobody's accumulating any wealth (except the creditors)!
- ⇒ A \$2,000 credit card balance can take over 23 years and more than \$10,000.00 to pay off making the lenders recommended minimum payment. A \$5,000 balance can take over 50 years and \$44,953.84 to pay off. That's over 39,900.00 in monthly interest payments wasted on the credit card companies outrageous profit margins, which should have gone towards your financial security!
- ⇒ We've been misled to believe such things like "refinancing" and "consolidated loans" are in our best interest, when in fact, even though they do give us a lower monthly payment, we end up paying over 150% more in interest! Proverb 22:7 reads, "The rich rule over the poor and the borrower becomes the servant to the lender."
- ⇒ Car dealers make more money from financing than from the sale of automobiles, and a car "lease" increases a dealers profit by more than 800% to as much as 1500% - all coming out of your pocket! Even Sears makes more money off of interest than they do selling merchandise!

These are just a very few of the examples of how the big money lenders are sucking the financial life out of us - and why 97% of us can't accumulate any financial security over our lifetime!

Here's a summary of the financial profile of an average family of 4.		
	WITHOUT "The Science Of Debt Elimination & Art Of Prosperous Living."	WITH "The Science Of Debt Elimination & Art Of Prosperous Living."
Total Outstanding Debt	\$124,673.04	\$124,673.04
Interest Paid	\$186,905.78	\$44,922.29
Total Amount Paid	\$311,578.82	\$169,595.33
Total Time To Pay Off Debt	479 Months	72 Months
Total Savings	\$0.00	\$141,983.49
All of this is possible (and GUARANTEED) without the need for an increase in income or a decrease in lifestyle. What's more amazing is that by simply investing the interest saved over the remaining years (\$348.86 for 407 months) in an average investment will build a retirement nest egg of \$1,986,721.04 without costing a penny more!!! The only difference is how the money is applied so YOU (not your creditors) end up with YOUR money!		

**"NO THANKS, MY CREDITORS
NEED THAT
\$1,986,721.04
MORE THAN
I DO!"**

I don't know anyone who is crazy enough to say this...do you?

A family can end up with almost **\$2 MILLION** (rather than nothing), not by making more money, but by learning how to use the money they already make - it's not magic, it happens by knowing proven formulas that ANYONE can use!!!

What do you think someone would pay to be shown, step by step, how to save well over a hundred thousand dollars and turn it into more

than \$1.9 million with their same income and lifestyle? Well, for much less than a single college class anyone can learn how to achieve great succes. **THE RESULTS ARE FOOLPROOF & GUARANTEED - THEY WILL WORK FOR ANYONE AND EVERYONE WHO SIMPLY USES THEM!**

When you think about it, the savings from a single months mortgage payment will more than pay for the entire course and leave quite a bit left over! These savings essentially make the program absolutely free - but the real worth of these products is what it can do for you! How many people do you think would pass up a guaranteed way to save hundreds of thousands of dollars in unnecessary debt payments to their creditors and turn it into millions of dollars for themselves and their families - all possible without making a single penny more!

REACHING 5-FIGURES PER MONTH IS EASY WITH OUR PROGRAM!

We're proud to offer these programs, and are dedicated to you and your success as a distributor. There are many ways to market these life changing courses. As a distributor, we provide you with professionally designed brochures and other materials to generate business for you, and you'll always have our full customer support available to help you.

Professionals such as Financial Planners, Estate Planners, and Accountants who deal with people and their finances love to offer these programs to their customers. Such professionals have hundreds of customers, and even if 90% of them thought it would be better to OVERPAY their lenders than live with financial security, that will still put a lot of money in your pocket! Your earnings are only limited by your efforts, and with our unique marketing system – a little effort goes a long way!

As I was eliminating my own debt and increasing my income at the same time, I was so excited that I couldn't help share my enthusiasm with others. We entice customers to share their own "debt elimination & prosperous living" experiences with others as well. In fact, this also causes your income to spread and increase like a wildfire!

Remember, we fulfill all your customer orders so you don't have to inventory or ship any products, and that means no expensive overhead and little or no risk involved. Our dedication to helping our customers achieve everything they want out of life causes us to continually add new products and services which are extremely beneficial – which will also give you additional income!

WE'LL HELP BUILD YOUR BUSINESS FOR YOU SO YOU CAN REACH HIGHER INCOME LEVELS QUICKLY AND EASILY!

This amazing course teaches people how to dramatically improve the entire quality of their life using their present income. It also shows them how to make simple changes, and apply simple strategies to dramatically increase their income. We also know people don't like to reinvent the wheel, they like to "model" things that have been proven to work in the past. People naturally talk about things they like, and it's hard to keep quiet about becoming a guaranteed debt free millionaire! It's like a theater paying you every time you recommend a particular movie you like to a friend. So even if you're shy or don't have any experience in business or "network marketing", don't worry, our system does the work for you. As a result, you're able to take advantage of the enormous leverage that this provides for your income.

So if you're ready for the security and piece of mind that comes with a totally debt free and prosperous life, then you need to act now. Think about where you were just 5 years ago, and where you want to be in the next 5 years. The decision is yours. Send your application today, the only thing you have to lose is DEBT!

Sincerely,

HOW ARE PEOPLE JUST LIKE YOU MAKING OVER \$200.00 IN A SINGLE DAY – THIS LETTER TELLS YOU!!!

IF YOU THINK 10 MINUTES OF YOUR TIME IS WORTH LEARNING HOW YOU CAN EASILY MAKE \$200.00 PER DAY AND MORE WITH ABSOLUTELY NO RISK (AND I'LL PROVE IT TO YOU) THEN PLEASE READ THIS ENTIRE LETTER!

Dear Friend,

I'm going to share with you the same information which has made people millionaires! I want to introduce to you this new and tremendous business opportunity which the Wall Street Journal has proclaimed "*ONE OF THE BEST OPPORTUNITIES OF THE DECADE!*" In fact, it's working so well, and making so much money, it has put people (just like you) in the top 1% of Americans in terms of financial success!

What does all of this mean to you? The perfect home-based business that can put cash into your pocket the very first day with absolutely no risk! It allows you to work part-time from your home and earn money like a fortune 500 company. The opportunity I'm talking about is a business in the Personal Security industry. Due to the increase in violent crime, Americans are spending BILLIONS of dollars every year to satisfy their basic human need to feel safe. We are quickly dominating this industry by offering products to the consumer which are superior in quality and lower in price!

When you join us in this business, you'll experience these same benefits that have catapulted others into a life of luxury ...

- Earn money 24/7 from other people's efforts – plus, you get paid in cash on a daily basis!
- As little as 7 hours per week can make you over \$500.00 – 12 hours per week can bring over \$1,000.00!
- Enjoy lots of free time being your own boss in a business that practically runs itself!
- No personal selling, experience, or skills needed – no expensive overhead required – everything is provided for you!
- One week of very little effort can set everything up to support you in luxury!

WHO'LL BE HELPING YOU MAKE THESE BENEFITS A REALITY?

This business can easily be started from your kitchen table and has the potential to make more money than you ever have in the past. Some people have made as much as \$1,700 their very first day! Some of you will make less and some of you will make more – but talk about money! Some people have even made 5 figures in a single day with this business. That may seem like bragging a little, but it's living proof of what this business can do for anyone who becomes involved in it – and you'll be guided step by step all the way to help you achieve the same results!

EXACTLY HOW IS THIS TYPE OF INCOME POSSIBLE?

The secret is easy – with OVER 15,380 VIOLENT CRIMES TAKING PLACE EVERY DAY and over 220 million adults in America, who are concerned about their safety, we can barely keep up and we need YOU to help us keep up with this skyrocketing demand! It's easy, fun, and oh so profitable!!! Remember, people just like you are having their mailboxes filled with orders! Imagine how your life will change when you start making this kind of money!

Someone in your area is going to enjoy the thrill of receiving money on a daily basis by taking advantage of this opportunity – don't you think it should be YOU! All you have to do is duplicate other people's success by following a few simple step by step instructions! It does take a little effort, but it's so easy that ANYONE can do it!

MULTIPLYING YOUR INCOME!

Do you think a man who earns \$300,000 per year works ten times as much, or as hard, as a person earning \$30,000? When you walk into Wal-Mart, do you see anyone from the Walton family working at the counter? Of course not, but they're making money from each sale! This business allows you to make money 24/7 with such little effort a child could do it! This "multiplication of income" is achieved by using specific money making formulas and techniques that will be revealed to you! I know these formulas work because people just like you have used them to become very wealthy! They're extremely easy to use, produce excellent results!

THESE PROVEN SUCCESS FORMULAS WILL ENABLE YOU TO SUCCEED IN EVERY ASPECT OF YOUR LIFE! You'll be shown ...

- Exactly how people became millionaires in business, and how you can easily duplicate their success!
- The greatest "income doubling" secret – without it, you can never achieve real wealth!
- How to defeat depression, fatigue, and failure – instantly!
- How to model successful people to get the same results – guaranteed every time!
- Powerful secret motivators you can use to influence people to do whatever you want in every kind of situation!
- How to make the right business and personal decisions every single time!
- How a 14 year old used these formulas and now makes over \$8,300.00 per month!
- How \$10 can be turned into a weekly income potential of \$600.00 and more for life ... AND MUCH, MUCH MORE!!!

SOW THE SAME SEEDS, AND YOU'LL REAP THE SAME REWARDS!

Simply use our proven money-making strategies to duplicate our success – it's that easy! You'll have a great feeling knowing your income is created by helping others! It breaks my heart knowing that a woman is raped every 6 seconds in this beautiful country of ours, but by providing products that keep people safe and secure, you'll be receiving a safe and secure financial future!

From every order (many average over \$50 to \$100 each) you keep a guaranteed profit for yourself and we take care of everything else including ALL of the product & fulfillment costs! Your profit is guaranteed, and it's paid up-front so there's absolutely no risk whatsoever! This business is designed to operate profitably on its own and make more money than you could possibly earn by yourself through several marketing strategies which have been tested and proven to multiply your income!

RETAIL DISPLAY UNITS

Having display units is like having hundreds of little sales people making you money around the clock! Units can be placed in Convenience Stores, Gas Stations, Salons, Bars, Hotels, Dormitories, Sororities, and hundreds of other locations! Once in place, your full time sales person will start earning you money all year long!

Imagine earning the income of 10 people while relaxing at home when everyone else struggles in the rat race! If it's Monday and you don't feel like working – you still get paid! If you're sick or on vacation – you still get paid!

Let's say you're somewhat of a "couch potato" like me and maintain just 10 units. With only 3 sales per day from each location you can earn over \$1,000.00 per week – 52 weeks per year! Let's cut this in ½ - could you use an extra \$500+ per week? Simply having 25 locations should potentially be earning you over \$2,500.00 per week! It's a simple numbers game where you decide how much money you want to pocket each day!

If you're not making \$100,000 per year – you're not taking this business seriously because these marketing strategies you consistently make money around the clock no matter what you're doing – and they work for anyone and everyone who uses them – that's the beauty of it!

If you spend just a week or even a month to set up all of your display units – it can provide a steady income that will support you in luxury the rest of your life! Also, there are companies that will find these locations and set everything up for you, and we've designed the marketing plan so there's **NO ADDITIONAL INVESTMENT REQUIRED!**

MAIL ORDER

This is where many people have made as much as 5 figures in a single day and I'll show you exactly how they did it and give you everything you need to do the same! I'll also show you how to get FREE advertising that can make you filthy rich! Plus, inexpensive advertising costing as little as one dollar!

Once you receive your order and take out your profit – guess what – your job is done! We drop ship everything for you don't need to worry about inventory, packaging, postage, etc. because we do it all for you at NO additional cost! You may have had bad experiences with mail order in the past working with companies selling nothing but "blue sky" – not valuable products that benefit people! I'd like to welcome you to the other side of mail order.

COMMISSION SALES PEOPLE

You can have several professional salespeople making you money on a daily basis without it costing you a penny out-of-pocket. You simply split the profits which they make for you. Such salespeople can potentially bring in hundreds of dollars weekly in extra income without you lifting a finger!

HERE'S THE BUSINESS THAT GIVES YOU A GUARANTEED PROFIT WITH NO RISK!

- ☞ You receive step by step instructions that others have used to become extremely successful and can do the same for you! You'll receive everything you need to make money!
- ☞ You'll receive product brochures and complete instructions on setting up your display units!
- ☞ We need your help to keep up with the public's demand for our products and exchange for your help, you'll be given an honest turn-key business that guarantees you a profit! Even better, because we're interested in your long term success and not just a one-time sale, we'll pay you back DOUBLE your initial sign-up cost by giving you coupons worth \$60.00 in FREE products you can keep for yourself or sell for a profit – fair enough?

If you're excited about making money FAST, you'll want to take advantage of this special offer right away!

The benefits to you are so incredible that we want to make it easy for you to "see for yourself" so we're giving you the following No Risk Whatsoever Guarantee!

90 DAY MONEY-BACK GUARANTEE!

Take a full 3 months to look over this business, and if for any reason, you're not 100% satisfied – simply return everything for a full refund! Plus, you can keep the "*Proven Success Formulas That Allow You To Succeed In Every Aspect Of Life*" as our gift to you just to say thanks for taking the time to consider what this business could mean to your financial future!

Now that I've told you about the money you can make on a daily basis, let me PROVE it to you! Below are profits received in a single day by 42 different people who are individuals just like you who started their business selling Personal Securities products!

\$621.50	\$919.00	\$1052.40	\$736.50	\$550.90	\$966.50	\$917.50
\$315.00	\$705.00	\$543.50	\$334.00	\$400.00	\$433.50	\$400.00
\$760.50	\$366.70	\$617.40	\$510.50	\$329.90	\$645.00	\$880.00
\$392.00	\$407.50	\$1,014.00	\$750.00	\$842.50	\$392.00	\$1,342.50
\$1,923.50	\$1,001.00	\$609.50	\$429.00	\$702.50	\$929.00	\$1,682.40
\$693.50	\$424.00	\$586.00	\$1,195.25	\$857.50	\$384.00	\$462.50

The only thing special about these people are they were smart enough to know a good opportunity when they see one! I wish I had more room because there's a lot more money where this came from and you can easily get your share. We still need you as a dealer and considering the need for people to protect themselves in this day and age, it's easy to see why you could be earning these figures too! Our guidance can put you in your very own successful business with a guaranteed profit!

THE JOURNEY TO SUCCESS STARTS WITH A SINGLE STEP!

I know you have difficult obstacles facing you; they're the same ones I use to face – tough work schedules, overdue bills, and 1,001 other things I used to excuse myself for not being successful! Success starts with a decision – followed by decisive action!

If you decide to order your business start-up package today and become a part of this phenomenal business, you'll be making the same decision that has made many other people just like you extremely wealthy and happy! I've told you what you have to gain from this business – a staggering income, guaranteed profit with no risk, no need for additional investment, no risk guarantee, and much more! On the other side, the worst thing that could happen is you find this business isn't right for you, get your money back, and enjoy your free gift!

FIND SOMEONE MAKING MONEY AND DO EXACTLY WHAT THEY'RE DOING!

If you follow our simple directions, you're bound to achieve the same success others are enjoying – period! The difference between failure and fantastic success is a very thin line. For example, in a horse race, the horse that comes in first by "just a nose" will receive 10 times as much money as the second place horse! Does this mean the horse is 10 times faster? No, in fact the difference in speed is hardly noticeable, but the difference in the amount of money they each receive is incredible! Are you the type of person who looks in the mirror and says, "If I only had an honest business that benefited lots of people, I know I could make a fortune?" If so, then this business is for you – all you have to do is take action by joining today!

If you don't try, you'll never know what you could have accomplished! It costs you nothing to see how this business can make you wealthy! Lots of people are making lots of money, having lots of fun, and helping lots of people – I hope you'll join us!

Sincerely,

Dear Entrepreneur,

WHEN YOU HAVE PROOF – WHO NEEDS PROMISES?

The N.M.O.P.A goes through each program with a fine toothed comb to expose every aspect of the truth! Many of the offers you receive contain exaggerations, misrepresentations, and outright lies!
